

**GRANT COUNTY CENTRAL SERVICES DEPARTMENT**  
*Planned Purchases and awards fy2020*

Updated 02/13/2020

**RCW 39.04. 190** allows certain agencies to use informal **vendor lists**, instead of formal competitive bidding, to secure quotes and award contracts. A **vendor list** is a directory, maintained by a local government agency, of **vendors** who are interested in selling equipment, materials, and supplies to that agency.

Please visit <http://www.grantcountywa.gov/Rosters/> for more information

Companies interested in doing business with the County should familiarize themselves with the purchasing processes Grant County is bound by through the laws of the State of Washington (RCW's) and the purchasing policies in place within the County. Companies are always invited to call and ask questions, become a member of our vendor or small works roster and should understand the different bid limitations we adhere to and the processes in which we can purchase materials.
