- 2.2c Costs of preparation and presentation of the bid will be borne by the vendor.
- 2.2d Bids must be typed/computer generated or written in such a manner as to be clearly legible; any bid that contains illegible information and/or dollar amounts subject to interpretation will render the entire bid to be designated “Non-responsive” as it will not allow the County to confidently compare bid prices.
- 2.2e **A cover letter is required, as set forth in Section 3.1 below.**
- 2.2f Bids should contain straightforward and concise descriptions of the vendor’s capabilities to satisfy the requirements of this RFB Packet. Emphasis should be concentrated on accuracy, completeness, and clarity of content.
- 2.2g Grant County requires a signed, completed Grant County bid form with each qualifying bid submittal packet. The Grant County *Bid Proposal* form is located in Appendix A.
- 2.2h Bids must include itemized breakdowns of all costs and include all fees if required.
- 2.2i Bids must show numerical dollar amounts with decimal and commas (as appropriate). Any required pricing breakdown that indicates “No Bid” or similar wording or is left blank will render the entire bid to be designated “Non-responsive” as it will not allow the County to confidently compare bid prices.
- 2.2j Mathematical calculations/totals on all bids will be checked by Grant County, and the County has the authority to correct any mathematical errors it identifies. For this reason, bids that appear to be higher or lower than others immediately upon bid opening may not be accurate. Grant County will not post the bid results until after the mathematical verification and totals check has been completed on each bid. Should any mathematical errors in submittals be identified, the County will notify the affected responders and the bid posting will reflect any necessary changes to the bid total(s).
- 2.2k In the event of a low bid tie between qualifying vendors after verification of mathematical calculations/totals, a random method – such as a coin toss – to determine the low bid will be utilized.
- 2.2l A request for awarding a contract/agreement to be signed by the qualifying low bidder will be made by the Grant County Facilities and Maintenance department to the Board of County Commissioners as set forth in Section 2.3a below.
- 2.2m This request does not constitute an offer of employment or to contract for services.
- 2.2n The County reserves the option to reject any or all bids, wholly or in part, received by reason of this request.
- 2.2o The County reserves the option to retain all bids, whether selected or rejected. Once submitted, the bids and any supplemental documents become the property of the County.
- 2.2p All bids shall remain firm for ninety (90) days following the closing date for receipt of proposals.
- 2.2q Bids without a BID-BOND will be deemed Non-Responsive.
- 2.3 **Bid Evaluations**

2.3a The County will evaluate bids and determine responsiveness as follows:

Grant County Facilities will perform an initial screening of each bid to determine responsiveness. A bid deemed responsive is one that materially conforms to the instructions/requirements of this RFB Packet, including the bidder meeting the requirements of a responsible bidder pursuant to RCW 39.04.3560 (See Section 1.6 above).

The County reserves the right to reject or accept any bid with immaterial irregularities.

Bid pricing must be itemized and submitted on all required items set forth in Section 4, Project Requirements and Scope of Work, and be completed on The Grant County Bid Proposal form, which serves as Appendix A to this RFB.

Once Grant County has determined that a bid is responsive and mathematical calculations on the bid have been checked and/or corrected pursuant to paragraph 2.2j above, it will be compared to other responsive bid(s). All bids regardless of alternates will be awarded on the "base" bid information.

2.3b The responsible individual/company (pursuant to RCW 39.04.350) with the lowest responsive bid as set forth in this section will be named as the apparent successful bidder and recommended to the Board of County Commissioners for award of the contract.
