

The below firms (listed in alphabetical order) were the only responders to Grant County's RFQ and were sent the following notice *via* e-mail prior to Selection Committee review of the packets:

Century West Engineering Corporation;  
Gray & Osborne, Inc.  
Huibregtse, Louman Associates, Inc.  
Leslie Engineering  
RH2  
Varela & Associates, Inc.

I am contacting you as a courtesy to let you know that Grant County is in receipt of your firm's Statement of Qualifications on the Royal Water District Rehabilitation Project and has evaluated same to determine responsiveness pursuant to our RFQ/RFP's Section 2.3a. Your proposal has been approved for forwarding to the Selection Committee, having met the following requirements:

- It materially conforms to the instructions/requirements of the RFQ/RFP; and
- We have researched and documented your firm meeting the requirements of a responsible bidder pursuant to RCW 39.04.350.

The County anticipates a recommendation from the Selection Committee to the Board of County Commissioners during the week of October 19<sup>th</sup>. All firms that have submitted SOQs will be contacted as to the recommendation of the Committee *via* e-mail as soon as possible.

On behalf of Grant County, thank you sincerely for your time, effort, and responsiveness to our advertised need for engineering services for this worthwhile CDBG project. We appreciate having the privilege of considering your firm.
